

Accessibility for Ontarians with Disabilities Act

University Health Network (UHN) is committed to providing a respectful, accessible and inclusive environment for all patients, employees and visitors. We are committed to meeting the standards outlined in the province's *Accessibility for Ontarians with Disabilities Act*.

Accordingly, UHN will evolve its policies and procedures in compliance with the *Act* and its standards for customer service, employment, transportation, environment, and information and communication.

Guided by our respect for human dignity and the core principles of the *Act*, including independence, integration and equal opportunity, our goal is to progressively work to eliminate barriers to the goods, services and employment opportunities provided by UHN.
